

# OXFORD Protex<sup>®</sup> STRETCH

PREMIUM STRETCH-FIT INDOOR COVER

UNIVERSAL SIZE

Offers protection against:

TECH SPEC	Fabric weight	180g/m <sup>2</sup>
	Colour fastness to light	Grade 2-3
	Breathability	100%

- 1 This premium indoor cover is the perfect barrier to protect your bicycle paintwork from thousands of tiny scratches caused by dust particles.
- 2 4-way stretch material in a seamless construction provides huge flexibility for different shapes and sizes of bike, whilst ensuring a figure-hugging fit.
- 3 Soft lining protects paintwork from light knocks.
- 4 Breathable material to avoid condensation/ moisture retention and the resulting risk of rust.
- 5 Includes a universal chain guard that protects the cover.

Made to the **OXFORD** design and specification in China from high quality materials
